E-mail address	

Proposed SSEG Details.

Address	Postcode	MPAN	SSEG Installed capacity in kW at 230V AC			Type Testing Ref No
			PH1	PH2	PH3	

Use continuation sheet where more than 10 SSEG's are to be installed.

Please include an electronic map with the location of each property highlighted in red.

Record SSEG capacities, in rated output kW at 230V AC, to one decimal place, under PH1 for single phase supplies and under the relevant phase for two and three phase supplies. For example 2.8kW.

Detail on a separate sheet if there are any proposals to limit export to a lower figure than that of the SSEG.
