## About Western Power Distribution

**Western Power Distribution (WPD) is the electricity distribution network operator for the Midlands, South West England and South Wales, serving 7.9 million customers.**

Your supplier bills you for your electricity, and is responsible for your meter. If you have an enquiry about your bill, your meter or the supplier's Priority Services, please contact your supplier. You can find their contact details on your electricity bill.

This leaflet tells you about the range of different ways to get in touch with us if you are ever affected by a power cut. We also explain our free priority services for customers who may need extra support.

**We work to the British Standard BS18477, Inclusive Service Provision - Requirements for Identifying and Responding to Consumer Vulnerability to ensure our services are accessible for all customers.**

## If you have no power – helpful advice

If you have a power cut please check the following before you contact us:

1

Are your neighbours' lights on or are the street lights on?

2

Check your tripswitch is in the "on" position.

3

If your tripswitch is in the "off" position, switch off all your appliances and try to reset your tripswitch.

4

If you have a key meter, is the display lit up?

### What to do if you have no power:

Turn off and unplug any electrical appliances that get hot, as you may forget they are switched on when the power returns.

Turn off and unplug any appliances that you are not using and any sensitive equipment such as computers or TVs.

During cold weather dress warmly using several layers of clothing.

Keep your freezer shut – depending on the type of freezer you have, the contents can stay frozen for up to 12 hours. You may be able to claim for spoilt freezer contents on your Home Insurance.

If you have no gas for cooking, your neighbours may be able to help you with warm drinks and hot food.

**We cannot guarantee a continuous supply of electricity. Here is some advice on how to be prepared:**

Keep wind-up/battery/solar powered torches ready. Don't use candles or paraffin heaters.

Download the WPD Power Cut Reporter App or save 105 or our Whatsapp number on your smartphone.

Many modern telephones, especially digital or cordless ones won't work in a power cut. Keep an ordinary analogue phone to use.

Protect sensitive electrical equipment such as computers or medical equipment with a surge protector plug or an Uninterruptible Power Supply (UPS).

Please see our website:  
[www.westernpower.co.uk](http://www.westernpower.co.uk)  
for more details.

If you have a mains operated stair lift, check to see if there is a manual release handle that can be used to return the stair lift safely to ground level if it stops working. Many stair lifts have battery back-up. If yours does not, it may be possible to get one fitted. Contact the manufacturer for details.

If you or a member of your family has a serious health problem please ensure that you have plans in place in the event of a long power cut.

Make sure any medical equipment has a battery back-up and is checked regularly to ensure it works.

## **Safety First - Fallen Overhead Power Lines**

**Danger – stay away from fallen overhead powerlines. Phone us straight away to tell us. Phone the Police if a path or road is blocked.**

**Be careful when clearing fallen branches after bad weather. Keep away from anything that may be touching overhead powerlines.**

## When we visit your home

All WPD employees and contractors will show a photo identity card.

Vehicles will carry the WPD or our contractor's logo.

Our staff will be clean and tidy and, where appropriate, will be wearing branded workwear.

WPD staff and contractors will be able to explain the reason for their visit.

WPD staff will be suitable, appropriately qualified and fully trained for the purpose of the visit.

WPD staff will be polite and respect you and your property.

WPD staff will be able to tell you which telephone number to call to report a power cut.

If you have any doubts about whether a caller is genuine do not let them into your home.

We will offer 'am' (8am-1pm) and 'pm' appointments (12 noon-4.30pm) if we need to visit you. You can also ask for a more specific appointment time within a two-hour time band. If we agree an appointment with you, we will do our best to keep it, unless we agree an alternative date with you.

## Complaints – how to contact us

At WPD we are committed to providing you with excellent customer service, first time every time. However sometimes things do go wrong. We want to know when this happens, so that we can sort out any problems as quickly as we can.

We will log your complaint and arrange for a local manager to call you or email you to resolve the matter. You can also ask for a more senior manager to review your concerns if you are not satisfied.

**Telephone:**  
**0800 0556833**

We aim to respond by the next working day.
